

# GAITER MILITARY

## TECHNICAL DATASHEET

Made from the materials, that withstand tough conditions, and are water and wind resistant. The models has adjustable straps, zippers, or buckles to secure them around the lower leg and prevent debris from entering. They protect the legs effectively from mud, snow, water, and brush when hiking, trekking, or in combat situations, and they keep the lower legs dry.

### PRODUCT CODE

- Unisex: ZN008

### MATERIAL

- Main material 100% polyester with ePTFE membrane.
- Combination 100% polyamide.

### KEY FEATURES

- Waterproof and Windproof material composition with ePTFE membrane for breathability.
