

# SOFTSHELL TACTICAL B464S1

## TECHNICAL DATASHEET

The tactical softshell jacket B464S1 (Men's) is designed as the basic outer versatile layer. It's waterproof, windproof and breathable, while the good quality insulating material somewhat protects the user against cold. It offers numerous possible adjustments for extra comfort and many functional attributes. The jacket is comfortable and durable and holds numerous tactical advantages and functional details. The sleeves are detachable, so the jacket can function as a vest as well.
