

TURTLENECK SWEATER CIVIL DEFENCE

TECHNICAL DATASHEET

The turtleneck sweater is a practical choice for almost any scenario, all year round. It's thermoregulative, so in the colder months it captures and holds heat effectively, and in the warmer months the merino wool's breathability and moisture-wicking capabilities make it an ideal choice to wear as well. Unisex.

PRODUCT CODE

- Unisex: MA051S9

MATERIAL

- 72% polyester.
- 25% merino wool.
- 3% elasthane.

KEY FEATURES

- Comfortable, stylish and dynamic fit.
- Use of merino wool with one of the best and most effective insulation and thermoregulation characteristics on the market.
